From the President

Hello Members and Friends

Slowly but surely the Corona Vaccine is being rolled out but far slower than predicted so we will have to be patient. Hopefully vaccination numbers will increase rapidly now with the Australian produced Astra Zeneca vaccine being available and now those over Seventy will be vaccinated which will include many of our members which is great and life for many of us may become more normal.

Regrettably, as advised in last month's newsletter, we cannot have our Annual Costume Ball. However, we are planning a function that will titivate and delight for later in the year. We hope to bring you more information the May Newsletter.

Because we are not having the Annual Costume Ball this coming June, we will have a normal monthly Dinner.

In March, 11 members and friends attended the monthly dinner at Canton Palace in Wentworth Falls to enjoy another sumptuous banquet meal which is always out, standing.

This month's dinner will be at the Avalon restaurant in Katoomba where our hosts David and Dylan will treat us with another fabulous meal hope you can join us there. Book early as seats are still limited.

Twelve members and friends met for our usual monthly luncheon at the Grandview Hotel in Wentworth Falls where they continue to surprise us with regular changes to the menu which is fabulous. Well worth booking for next month's Luncheon on Tuesday 27 March, look forward to seeing you there.

Unfortunately, a consequence of the pandemic and has affected the group's finances. Our revenue stream has effectively dried up which means we must institute a degree of financial constraint. With great consideration and with a view to maintaining long term member benefits as well as the Three Sisters' viability, we can no longer support the \$5.00 concession discount on the monthly dinners. We apologise for this unavoidable measure and thank you for your understanding.

The AGM will be on Tuesday the 10 August at the Grandview Hotel Wentworth Falls and will include a complementary dinner for financial members, non-members will have to pay, price to be advised. This will replace our normal monthly dinner, bookings are essential.

So Good bye for now.

Your president

John Wilson

A New Horizon

The world, seemly, is becoming a little lighter with promise of a new spring. The blue bird of happiness in its ascendancy. We, at the Three Sisters, have donned out thinking caps to bring to you a cornucopia of enlivening diversions to bring us out of our covid chrysalis.

What better to do so is to fire up some social activities which we can all enjoy; help rekindle friendship connections which last year's Covid quarantine quashed and encourage new friends to join us.

Sometimes we forget we live in an amazing place which offers an abundance of activities to suit every interest. Activities we don't always take advantage of. Maybe it's because we have become settled in our comfort zone. Maybe the dreaded covid has changed our social habits. Maybe we have lost contact with friends to adventure with.

Never fear, we may just have the answer to usher in a renewed sense of comradeship and appreciation of things once enjoyed but from which we have become disconnected. Let's open up the Blue Mountains' potential.

Movies, theatre, house parties featuring tea, dinner and games, special events, even the odd 'treat yourself' extravaganza, are in the melting pot. Stay tuned for imminent announcements about exploring our mountain home and mixing with friends, new and established.
