From the President

Dear Friends

January has been a month of cancellations. Our own funds raising Sunday Sessions have been a casualty of the latest outbreak of misery.

We, however, are not the only social group so affected; our sisters at Pollys have been forced to cancel their March dance; Mardi Gras has been forced, among other things, to cancel their party. The list goes on.

Having stated the obvious, however, the committee have been focusing their considerable brain power to come up with innovative solutions to our collective social malaise.

Apart from our permanent lineup of monthly lunches and dinners, we have identified a fabulous outing that ticks all the restrictive boxes, yet provides for a safe social environment.

I refer here to Mt Vic Flix annual screening of the Mardi Gras Queer Screen selection of films. We are planning a party to attend 'My Brilliant Career' at that venerable establishment on 13 March. An informal gathering, we hope that you will join us. A Sunday dinner is proposed

at the Gardners Inn, Blackheath, (optional), after the movie.

Later in the year we are planning a number of theatre outings, including Margaret Fulton - The Musical, for which we have reserved a number of seats. We'll be telling you more in due course.

This will be but one of a dazzling collection of events planned for the remainder of 2022.

Closer to that date there is a Trivia afternoon for the benefit of bentArt. bentArt, of course, holds the introductory event of the Queen's Birthday Long Weekend. A social gathering of unparalleled excellence heralding a long weekend of fun and frolic. The Sisters are planning a gathering for this event for which I hope you will join us.

February also heralds a very important event for the LGBTIQ+ community. I refer to, of course, the annual Sydney Gay and Lesbian Mardi Gras. While many of us no longer have the opportunity to participate in the various delights of the festival, I feel that it is important that we remember and acknowledge its importance for our community. When I look at the program of activities I marvel at the creativity and energy of the collective 'us'.

I also remember the creativity and energy that the members of the Three Sisters, and before them, the Mountaineers, gave, and still give, to the LGBT community. In many ways our little group paved the way for the gala that Mardi Gras is today.

Checkout the Mardi Gras program and marvel in its enormity of talent.

Stay safe

Terry
